**Omya UK**

The head office in Derby was opened in 2005 and was the consolidation of our old Dorking, Worksop, Matlock and Melton offices, is conveniently located just off J25 of the M1 which is only a short distance from East Midlands International Airport.

Derby is central to many of Omya UK's functions and departments in Head office now including sales & marketing, finance, IT, logistics, engineering and administration. The company sales and marketing operations are organised around 6 business units (BU).

- Business Development
- Coatings and Adhesives
- General Industries
- Ireland
- Paper
- Polymers

All the business units with the exception of Ireland are based at the Derby head office. The Eire and Northern Ireland markets are covered by the sales office in N.Ireland.

In the UK we have approximately 280 employees
With 8 Mineral Plants, 4 Storage/Warehouse facilities, 1 Chemical Plant and 1 Technical Centre.

Within the IT department we are responsible for looking after all of the UK's IT requirements and involvement in Regional Work.
