Derivation of Algorithms

Roland Backhouse (rcb)

cs.nott.ac.uk/~rcb

- calculating implementations from specifications
- small-scale problems
- correct by construction

Textbook

Program Construction
Roland Backhouse
John Wiley & Sons.

25% coursework. Deadline 22 February.
75% examination.

Why this module is important.

- Therac disaster (google "therac")
- Modern ≠ Better (see handout)
